

## CUSTOMER AUTHORIZATION FOR CORE GAS AGGREGATION SERVICE

I hereby authorize Mirabito Natural Gas, LLC d/b/a Evergreen Gas & Electric (Evergreen) to act on my behalf and provide natural gas service to me under Pacific Gas & Electric's (PG&E's) tariffs for Core Gas Aggregation Service, in accordance with the rules and regulations of the California Public Utilities Commission (CPUC). I understand that PG&E shall continue to provide gas transportation services to me pursuant to its tariffs.

I authorize PG&E to release my current and historical gas usage information, and my billing and payment information (including information regarding any negotiated payment plans that I entered into with PG&E), to Evergreen. I authorize PG&E to release to Evergreen all the information that is necessary for Evergreen to provide Core Gas Aggregation Service under PG&E's tariffs to the PG&E account(s) listed in this Authorization. I understand that this information will assist PG&E and Evergreen in providing better customer service. Evergreen is required by the CPUC to keep this information secure and confidential at all times.

Under Core Gas Aggregation Service provided by Evergreen, I will continue to be responsible for payment of PG&E's gas transportation charges, even if I authorize PG&E to send information about my gas transportation charges to Evergreen. I understand and agree that the CPUC will continue to regulate PG&E. I also understand that the CPUC does not regulate Evergreen's pricing under Core Gas Aggregation Service and that I am responsible for any agreement with Evergreen for such pricing and service. I understand and agree that Evergreen is not an agent of PG&E, and PG&E shall not be liable for any of Evergreen's acts, omissions or representations including any liability resulting from use of information disclosed to Evergreen or others as part of this authorization.
